They are meeting next Friday after school to decide who will participate and what equipment they will need. Emma is going to design the posters, and her friend Lucas will help her put them up around the school.

The teachers are also making plans. Mr. Johnson is going to prepare a science exhibition with experiments that the students can try. Ms. Rivera will bake cookies and cupcakes to sell at the festival. The money they collect is going to be used to buy new books for the library.

On the day of the festival, Emma’s class is starting their activities at ten o’clock. They are not having regular lessons that day, so everyone is very excited. Emma thinks the festival will be a great opportunity for students to show their talents and have fun together. She knows it is going to be a busy day, but she can’t wait for it to begin.
